Two Members of Posse Are Wounded in Capture of Alleged Thieves.

**FIRING LASTS 15 MINUTES**

Two men in Brown's Cove neighborhood captured and held on charge of robbing Store Recently at Free Union.

[Special to The Times-Dispatch.] CHARLOTTESVILLE, VA., May 24.—Sheriff J. Mason Smith, of Albemarle County, accompanied by other county and city officers and bloodhounds, went up in the Blue Ridge Mountains, near Brown's Cove yesterday afternoon to arrest Cleveland Frazier and Ben Garrison, on a warrant charging the theft of \$100,000 valued at \$100,000 from the store of E. T. J. Maupin, at Free Union, Saturday.

Approaching within 200 yards of the Frazier home, the invading party, numbering over a dozen, divided, the sheriff and three others going ahead. They had taken but a few steps when they were fired upon by Frazier and Garrison, who had come out in the yard, shotgun in hand. Failing to heed the sheriff's command to surrender, a fusillade followed, many shots being exchanged.

Are Attacked From Rear. While the firing was in full swing, Mr. Palmer and his bloodhounds from Staunton, appeared on the other side of the Frazier home, Frazier and Garrison then turned on the second party. The firing continued for fully fifteen minutes, the hunters were finally running into the house.

Sheriff Smith called to the women of the house to come out with the children, and he would give them protection, stating that he was his purpose to take his men, dead or alive. Three women and four children finally emerged, and a moment later Garrison and Frazier followed, surrendering to the sheriff's party. They were promptly handcuffed and brought to Charlottesville about 10:30 last night and lodged in the county jail.

Posse Members Have Close Calls. Two members of the sheriff's party had narrow escapes. John Miller, of Free Union, was shot in the arm, while James Shifflet, a merchant at Mr. Fair, had his head rattled with shot.

Frazier and Garrison had on stolen clothing and goods missing from the Maupin store was found in their possession. Yesterday afternoon a quantity of stolen goods, including a quantity of stolen goods, were found hidden in the woods not far from the Frazier home. In the arrest of the two men, the officials believe they have the parties who have been guilty of robbing stores and mailboxes in the Brown's Cove and Free Union neighborhoods for the last two months.

## ONE COUNTY DRAWS \$700,000 FOR BERRIES

[Special to The Times-Dispatch.] ONLEY, May 24.—With over 500 acres of berries shipped out of the county to date, a few more days will end what has been the largest berry season this county has known. Close to \$700,000 will be brought into the county, and much of it will be put into circulation rapidly. Prices ranged from \$2 to \$5 per crate, but generally close to the latter figure. The buyers will probably remain here until the end of the month, but many berries are being shipped direct to northern markets as the prices received are much better. Late rains, however, have spoiled some of the crop. With proper grading, as is followed with Irish and sweet potatoes, the growers should get a higher and more uniform price. The largest shipment in one day from this station, was sixty cars and over 60 per cent of the crop raised in the county, goes from this point.

You Can't Trust Calomel at All

It is Mercury, Quicksilver, Salivates, causes Rheumatism and Bone Decay

The next dose of calomel you take may salivate you. It may check your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Doan's Liver Tonic for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It cannot be trusted any more than a leopard or a wild-cat. Take Doan's Liver Tonic, which straightens you right up and makes you feel fine. No salts necessary. Give it to the children, because it is perfectly harmless and cannot salivate.—ADV.
